

performed, its estimated duration, and the fee or compensation to be received. Division Directors, Office Heads and Regional Administrators have been delegated the authority to approve routine requests for outside employment. The approving official shall forward to the Director of Personnel a copy of each request showing the date of approval. Requests of a non-routine nature should be forwarded to the Director of Personnel.

(g) The Director of Personnel, or his designee, is authorized to approve or disapprove requests for outside or private employment under this rule, except as to those cases which, in his judgment, should be considered and decided by the Commission. An employee may appeal a disapproved request to the Commission. The written appeal, submitted through the Director of Personnel, shall give reasons why the proposed outside or private employment is consistent with this rule. The Director of Personnel may not approve proposed outside or private employment which is absolutely prohibited by these rules. The Commission may, in a particular case, approve such employment.¹⁶

§ 200.735-5 Securities transactions.

(a)(1) This section applies to all transactions effected by or on behalf of a member or employee. This includes transactions for the accounts of other persons effected by the member or employee, directly or indirectly, under a power of attorney or otherwise. In addition, a member or employee is considered to have sufficient interest in the securities transactions of his or her spouse or unemancipated minor child or other member of his or her immediate household so that transactions effected by or on behalf of such persons must be reported and are subject to all the terms of this section.

(i) Except, this section shall not apply to securities transactions of a legally separated spouse living apart

¹⁶The Commission does not favor the granting of waivers from the provision of this subsection.

from the member or employee, including transactions for the benefit of a minor child, if the member or employee has no power to control and does not, in fact, advise or control with regard to such transactions. If the member or employee has knowledge of securities held by a separated spouse or for the benefit of a minor child, the disqualification provisions of Rule 6, 17 CFR 200.735-6, and 18 U.S.C. 208 are applicable.

(ii) For purposes of this section *member of his or her immediate household* means a resident of the member's or employee's household who is related to the employee by blood or marriage or who is in the legal care and/or custody of the employee by reason of adoption, prospective adoption or guardianship.

(2) Members and employees are prohibited from recommending or suggesting the purchase or sale of securities:

(i) Based on non-public information gained in the course of employment; or

(ii) Which a member or employee could not purchase because of the restrictions of this rule, in any circumstance in which the member or employee could reasonably expect to benefit from the recommendation, or to anyone over whom the member or employee has or may have control or substantial influence.

(b)(1) No member or employee shall effect or cause to be effected any transaction in a security except for bona fide investment purposes. Therefore, all securities purchased by a member or employee must be held for a minimum of six months. Except, this holding period is not applicable to

(i) Securities sold for less than the purchase price pursuant to a stop-loss order entered at the time of purchase and submitted to the Office of Personnel with the report of purchase;

(ii) Money market fund shares;¹⁷

(iii) Securities purchased by a member or employee prior to entrance on duty with the Commission;

¹⁷For purposes of this rule a *money market fund* is defined as an open end investment company whose investment policy calls for investment of at least 80% of its assets in debt securities maturing in 13 months or less.

(iv) Debt securities with an initial term of less than six months which are held to term;

(v) Shares of a unit investment trust having a term of less than six months; or

(vi) The transferring of funds within a *family* of registered investment companies.

(2) For purposes of this provision a *family* means any two or more registered investment companies which share the same investment adviser or principal underwriter and hold themselves out to investors as related companies for purposes of investment and investor services.

(c) No member or employee shall effect any purchase or sale of an option, future contract, or option on a future contract involving a security or group of securities.

(d) No member or employee shall

(1) Carry securities on margin;

(2) Borrow funds or securities, with or without collateral, for the purpose of purchasing or carrying securities with the proceeds, unless the prior approval of the Commission has been secured; or

(3) Sell a security which he or she does not own, or consummate a sale by the delivery of a security borrowed by or for such member's or employee's account.

(e)(1) Except as provided in this paragraph (e) or paragraph (f) below, members and employees are prohibited from purchasing or selling any security which is the subject of a registration statement filed under the Security Exchange Act of 1934 (15 U.S.C. 78a *et seq.*), the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), or a letter of notification filed under Regulation A, or any security of the same issuer while such a registration statement or letter of notification is pending or during the first 60 days after its effective date. This prohibition shall not apply to:

(i) A security which is the subject of a pending registration statement filed on Forms S-2, S-3, S-8, F-2, F-3, 8-A, or 8-B; or

(ii) Offerings, except initial public offerings, of shares by an investment company, other than a closed-end investment company, or to offerings by a registered separate account (as defined

in section 1(a)(37) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(37)) which become effective pursuant to 17 CFR 230.485(b).

(2) Securities of a unit investment trust whose registration statements become effective pursuant to 17 CFR 230.487 may be purchased immediately upon effectiveness of the registration statement.

(3) Securities which are registered for delayed distribution pursuant to 17 CFR 230.415 may be purchased 60 days after the registration becomes effective. The subsequent filing of a pricing amendment or sticker does not revive the prohibition on purchase.

(f) A member or employee may sell a security which is referred to in paragraph (e) of this section only if:

(1) The member or employee certifies that he or she has no information which is not publicly available concerning or relating to the issuer; and

(2) The employee's Division Director, Office Head or Regional Administrator certifies that the employee has not participated in the registration processing. Members, Division Directors, Office Heads, and Regional Administrators are required to submit such certification on their own behalf to the Director of the Office of Personnel.

(g) No member or employee shall purchase any security which to his or her knowledge is involved in any pending investigation by the Commission, or in any proceeding before the Commission, or to which the Commission is a party.

(h) No member or employee shall purchase any security of any company which is in a receivership or bankruptcy proceeding in which the Commission has filed a notice of appearance.

(i) No member or employee shall purchase securities of:

(1) Any holding company registered under section 5 of the Public Utility Holding Company Act of 1935 (15 U.S.C. 79e), or any subsidiary thereof, or

(2) Any company, if its status under such Act, or the applicability of any provision of the Act to it, is known by the employee to be under consideration.

(j) The restrictions imposed in paragraphs (e), (g), (h), and (i) of this section do not apply;

Securities and Exchange Commission

§ 200.735-5

(1) To the exercise of a privilege to convert or exchange securities;

(2) To the exercise of rights accruing unconditionally by virtue of ownership of other securities (as distinguished from a contingent right to acquire securities not subscribed for by others);

(3) To the acquisition and exercise of rights in order to round out fractional shares;

(4) To the acceptance of stock dividends on securities already owned; to the reinvestment, under a reinvestment program, of cash dividends on a security already owned; or the participation in a periodic investment plan for the purchase of a security when the original purchase was consistent with the provisions of this rule; or

(5) Investments in funds established pursuant to the Federal Employees Retirement System.

(k) Members and employees holding a Senior Executive Service position in the Division of Investment Management or the Office of Compliance Inspections and Examinations may make discretionary investments in any investment company registered under the Investment Company Act of 1940, 15 U.S.C. 80a *et seq.*, provided that the registered investment company is diversified pursuant to section 5(b)(1) of the Investment Company Act of 1940, 15 U.S.C. 80a-5(b)(1). The Directors of the Division of Investment Management and the Office of Compliance Inspections and Examinations, in consultation with the Office of the General Counsel, shall determine in writing whether Senior Executive Service positions in their respective Division or Office whose duties do not include fund matters also may invest in non-diversified registered investment companies.

(l) No member or employee shall have a beneficial interest in any broker, dealer or investment adviser through ownership of securities or otherwise. However, if a corporation acquires or establishes a subsidiary or affiliate subject to regulation by the Commission (*regulated entity*),

(1) A member or employee may retain his or her existing holdings in the corporation, provided the security was originally acquired in compliance with

the provisions of this rule or prior to entry on duty with the Commission.

(2) Purchases of the corporation's shares will be permitted so long as the regulated entity subsidiary or affiliate provides less than 10% of the corporation's gross revenue. Except for reinvestment of cash dividends, additional purchases are prohibited when the regulated entity provides 10% or more of the corporation's gross revenues.

(3) A member or employee who owns shares in a corporation with a regulated entity subsidiary or affiliate is disqualified from participating in any matter including rulemaking which affects the regulated entity unless the disqualification is waived in accordance with the provisions of Rule 6, of this section, 17 CFR 200.735-6, and 18 U.S.C. 208(b).

(m)(1) Annually, in accordance with the procedures adopted by the Director of Personnel, every member and employee shall furnish the Director of Personnel with a complete list of all securities in which he or she has an interest. Employees having no interests in securities and required to so state.

(2) Except as provided in paragraphs (m)(3) and (m)(4) of this section, members and employees shall report every acquisition or sale of any security within five business days of the transaction date or date confirmation is received. (Reports submitted by employees in field offices must be placed in the mails within five business days of the transaction date or date the confirmation is received for each transaction.)

(3) After the initial purchase of shares in a mutual fund, employees shall report holdings in that mutual fund only on the annual statement.

(4) Changes in holdings, other than by purchase, which do not affect disqualification, such as those resulting from the automatic reinvestment of dividends, stock splits, stock dividends or reclassifications, may be reported on the annual statement rather than when notification of the transaction is received. But, the acquisition of holdings by, for example, gifts, inheritance or spin-offs, which may result in additional disqualifications pursuant to Rule 6 of this section, 17 CFR 200.735-6, and 18 U.S.C. 208 shall be reported

within five days of the receipt of the notice of the change in holdings.

(n) At the time of taking the oath of office, or prior thereto if requested by the Director of Personnel, a new member or employee shall provide to the Office of Personnel, as requested, information relating to—

(1) Securities owned by or held for the benefit of him or her, or his or her spouse or unemancipated minor child, or a member of his or her immediate household, or by any trust or estate of which he or she is a trustee or other fiduciary or beneficiary, or by any person for whom he or she effects transactions under a power of attorney or otherwise;

(2) Accounts with securities firms;

(3) Close relatives (i.e. children, parents, grandparents, siblings, aunts, uncles, or like relations of a spouse), who are partners or officers of securities firms, investment advisers, or registered public utility holding companies or their affiliates;

(4) The holding of office in or being a director of any company which has public security holders; and

(5) Such other information as may be required by the Director of Personnel.

Employees are required to advise the Office of Personnel of changes in the foregoing information within ten business days of the time the new information is learned.

(o) Paragraphs (b), (m), and (n) of this section do not apply to personal notes, individual real estate mortgages, securities issued by the U.S. Government or its agencies, and securities issued by building and loan associations or cooperatives.

(p) Any member or employee who is a trustee or other fiduciary or a beneficiary of a trust or estate holding securities not exempted by paragraph (o) of this section, shall report the existence and nature of such trust or estate to the Director of Personnel. The transactions of such trust or estate, which is not a qualified blind trust, shall be subject to all the provisions of this section except if the member or employee did not create the trust, is solely a beneficiary, has no power to control, and does not in fact control or advise with respect to the investments of the trust or estate, unless the Com-

mission shall otherwise direct in view of the circumstances of the particular case.

(q) The Director of Personnel, or his designee, is authorized to require the disposition of securities acquired as a result of a violation of the provisions of this section, whether unintentional or not. Repeated violations shall be reported to the Commission for appropriate action.

(r) Any member or employee who believes that the application of any of the provisions of this rule will result in undue hardship in a particular case may make a written application to the Commission (through the Director of Personnel) setting out, in detail, the reasons for that belief and requesting a waiver. However, as a matter of policy the Commission favors a strict interpretation of the provisions of this rule.

§ 200.735-6 Action in case of personal interest.

Any employee assigned to work on any application, filing or matter of a company (a) in which he or she or his or her spouse or his or her minor unemancipated child then owns any securities or has a personal interest, including a continuing financial interest in a pension or retirement plan, shared income, or other arrangement, as a result of any current or prior employment or business or professional association; or (b) with which he or she has been employed or associated in the past 5 years; or (c) which was a client of a firm with which he or she had been associated, shall immediately advise his or her Division Director or other Office Head or Regional Administrator of the fact. Division Directors, Office Heads and Regional Administrators are authorized to direct the reporting employee to continue with the assignment in question where this appears in the interest of the Government, taking into account (1) the prohibitions stated in § 200.735-3(b) (7) and (8); (2) the general desirability of avoiding situations that require a question of conflict of interest to be resolved; (3) the extent to which the employee's activities will be supervised; and (4) the difficulty of
